

# MegaPAC L1

23.8" UHD Display integrated into a high performance rugged portable. Designed for video editing, media and broadcast applications with 7x full-length expansion slots.

## **Large 23.8" Display**

The MegaPAC comes with a 23.8" 16:9 LED backlite LCD at full HD resolution of 1920 x 1080 or higher. The integrated visor-shade and high contrast ratio optimizes viewing in ambient light. Overall, the large, wideview LCD with low latency, high contrast ratio, and visor-shade allow the user to see details that would have otherwise been overlooked.

## **Versatile Platform**

In addition to its large display, every unit comes with cooling fans and easy access to its 7 full-length expansion slots for immediate system upgrade or maintenance.
